

The Deaf Children's Society of BC (DCS) is a not-for-profit agency that provides resources, programs, support and information to families with deaf and hard of hearing children from birth to age five.

WE NEED YOUR HELP!

DCS is the **only agency in British Columbia** that offers services for children aged 0-5 who are Deaf or Hard of Hearing in American Sign Language; and the cost of delivering these services is approximately \$50,000 per month.

We've partnered with Trans-Continental Textile Recycling Ltd. (TCTR) to raise funds for our organization.

This is where you come in: We need spaces to host clothing banks, which raise money for Deaf Children's Society.

Over the past 15 years, the clothing bank fundraiser has raised over \$700,000 for DCS, and with newly designed clothing banks we hope to continue raising funds to help deaf and hard of hearing children in British Columbia.

As a clothing bank sponsor there is NO COST to you. TCTR will prepare, deliver, monitor and maintain the banks.

Frequently Asked Questions

Are the banks insured?

Yes, every bank has liability insurance. TCTR can provide a certificate when a bank is placed.

Yes, they are composed of galvanized steel so the quality lasts and are extremely durable. It is impossible to enter, therefore, no unauthorized people will be able to access the contents.

How often are banks emptied?

Banks are emptied as frequently as required to ensure there is space in the bank to receive materials. High traffic banks may be emptied twice daily.

How are funds generated for DCS?

Funds will be paid to DCS based on the weight of the textiles collected from the banks. Monthly payments are made to DCS on behalf of the sponsor.
