- Maintains daily, weekly and monthly written plans that reflect the developmental needs, interests and abilities of the children
- Ensures that facility license requirements are met and maintained
- Completes documentation within agency guidelines and time limits
- Revises and modifies programming as needed to ensure excellence in service delivery, content, and conduct
- With the Executive Director, arranges for sufficient staffing in the preschool
- Provides orientation for new preschool staff members and new families
- Reports all staffing issues to the Executive Director

Establish and maintain a safe and healthy environment in the preschool

- Establishes and maintains an environment for children that is clean, safe, stimulating, and appropriate for each child's developmental level and communication needs.
- Ensures housekeeping standards are met
- Follows the licensing requirements for maintaining health records, and update self on a daily basis as to children's allergies, special conditions or other pertinent information
- Maintains portable and up to date emergency response records, forms and materials
- Consults with South Slope administration regarding building protocols, plans, drills, and other issues

To provide positive guidance to children in the preschool

- Provides positive guidance such as redirection, problem solving, setting appropriate limits and active listening
- Interacts with children in accordance with the developmentally appropriate Early Childhood Education practices
- Sets reasonable behavior expectations consistent with the Deaf Children's Society philosophy and policies
- Helps each child become aware of his/her role as an integral member of a group
- Provides an environment that fosters the development of good self-esteem, self-reliance, effective communication
- foundations, and positive social-emotional growth

Establish positive and productive relationships with families and co-workers

- Observes and documents individual children's progress through anecdotal notes, developmental checklists and assessments that are shared with families

Maintain a commitment to professionalism and professional development

- Attends all staff meetings, family service plan meetings and required in-service meetings
- Works as a member of a multidisciplinary education team
- Maintains confidentiality regarding staff, families and children
- Attends workshops relevant to ECE continuing education and child development
- Provides community service workshops and liaison as directed by Executive Director
- Performs other duties as needed for the agency
- Updates Office Manager and Executive Director weekly on staff attendance, sick leave, requests for time off or other absences
